Documenting your continuing education is as easy as 1-2-3!

- 1. Complete the ASHA CE Registry subscription form above and send it, along with your payment, to the ASHA CE Registry. You will be credited with an electronic voucher to request one free transcript.
- Look for the ASHA Approved CE Provider Brand Block (below) and participate in continuing education courses (conventions, workshops, self-studies, journal studies, etc.), or develop an Independent Study through an ASHA Approved Independent Study Provider.

[provider name] is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology

and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

3. Follow the instructions for earning ASHA CEUs as directed by the ASHA Approved CE Provider. After the CE Provider verifies your satisfactory completion of the course, ASHA CEUs will be awarded and recorded on your permanent ASHA CE Registry transcript

If you have questions about your ASHA CE Registry fee or the ASHA CE Registry, please contact the CE Registry at 1-800-498-2071, ext. 8591 or e-mail continuinged@asha.org.
