

AMERICAN
SPEECH-LANGUAGE-
HEARING
ASSOCIATION

Dear Principal Investigator,

_____ is applying to the American Speech-Language-Hearing Association's Lessons for Success (LfS) program. One of the purposes of this program is to provide intensive training and mentoring in research grant preparation and funding opportunities. Additional information about the LfS program is available at www.asha.org/Research/L4S/default/.

As part of their application package, applicants submit grants that will be discussed at the workshop in small group mentoring sessions, as well as in mock and section reviews. Your collaborator named above has submitted the grant entitled:

_____ on which you serve as the PI. Since you are the PI on this grant, we are requesting your

1. affirmation that this collaborator had a primary role in conceptualizing and writing the majority of the grant proposal, and
2. permission to discuss this grant during the Lessons for Success program. All participants sign a confidentiality form prior to the workshop.

If you have any questions, please contact research@asha.org.

I affirm that my collaborator named above had a primary role in conceptualizing and writing the majority of the grant proposal listed above. I give my permission for this grant to be discussed as part of ASHA's Lessons for Success program.
